## Snow Reminders and Information

Please assist the Street Department in clearing Tipp City streets by following these guidelines:

- If we experience snow or ice, citizens should remove all vehicles from the street to allow for more efficient snow plowing.
- Please do not blow snow into the street from sidewalks and driveways. This will lead to additional snow being left by the snow plows at the end of driveways.
- It is the citizen's responsibility to clear the snow from in front of their mailbox. It is not possible to clear these areas with the snow plow.
- It is the resident's responsibility to clear snow and ice from their sidewalk (see below).

In the interest of clearing streets in a manner maintaining safety/service, vehicle traffic and public travel, the following schedule will be completed by snow removal crews for plowing and salting Tipp City streets.

## Bake Sale for a Cause

The staff of the Tipp City Government Center is once again participating in the American Cancer Society's Relay for Life. For nearly 100 years, the American Cancer Society has been working towards a world with less cancer and more birthdays. Now 11 million cancer survivors are celebrating birthdays this year. In an effort to raise funds, City employees will host a bake sale the first Friday of each month in the Government Center lobby. The Government Center is open from 8 a.m. to 5 p.m. Stop by for your morning or afternoon snack and support a worthwhile cause at the same time.
