## Guidelines for a Recreational Fire

**A recreational fire may be rekindled providing the following restrictions are adhered to:**

- The fire is not offensive or objectionable because of smoke or odor emissions or when atmospheric conditions or local circumstances make such fires hazardous.
- The wind velocity must be less than 10 MPH as indicated by the National Weather Service, and is in a direction to carry smoke away from neighbors. This can be monitored by TV channels 23 and 56.
- The fire must be located a minimum of 25 feet from any structure. Conditions which could cause a fire to spread within 25 feet of a structure shall be eliminated prior to ignition.
- It must be fueled with clean dry firewood, natural gas or equivalent.
- Fire extinguishing materials must be at site of burning at all times.
- The fire shall be attended by a sober, responsible adult at all times.
- The fire shall be extinguished immediately when the event is completed and/or the responsible adult is leaving the fire.
- The fire shall be limited in size not larger than 3 feet in diameter and 2 feet in height.
- A recreational fire is one that is intended for cooking or enjoyment of those present.
- Trash, yard debris, leaves or any other smoke producing materials shall not be burned. ●
