## Message from City Manager Eggleston

**H**ave you heard? The Parks Advisory Board and City Staff are currently surveying residents of the various City parks and facilities. This data will assist the Parks Board and Council in updating the Parks Master Plan and making funding decisions for the future. The last time the plan was updated was over 10 years ago.

If you've not already completed this survey, please take a few minutes and provide us with your suggestions. Surveys are available on the City's website ([www.tippcityohio.gov](http://www.tippcityohio.gov)) under the Government tab then the Parks Advisory Board tab to access the survey. Surveys were also mailed with the October utility bills. Please return completed surveys to the City Manager's office by November 30, 2018.

This is your opportunity in letting Administration and Council know how we are doing in maintaining and enhancing our City parks and various park facilities. I would like to thank those of you who have

already completed your surveys. The response has been overwhelming and is greatly appreciated. The City has received over 240 responses and we would like to hear from all of you. ●
