

## Compliment For Department Personnel

### Information

We want to provide recognition of those employees who exemplify the high standards of duty and care to our community. Often, it is citizens who first recognize the good work our employees perform. Any citizen who feels an employee of the Tipp City Police Department went "above and beyond" in providing service to our community should use this form to notify the employee's supervisors of the exemplary service of that employee.

If you have had a positive experience with a member of the Tipp City Police Department or have recently observed a member of the Tipp City Police Department who you feel is worthy of a compliment, we would like to hear from you. We are extremely proud of our members and your comments are greatly appreciated. All compliments are sent to the officer's supervisor, the officer and the Chief of Police.
