UTILITY/REFUSE SERVICE INFORMATION

Billing and Payment for Service

Utility/Refuse bills are mailed around the 25th of each month with payment due the 10th of the following month. If payment is not made by the 10th of each month, a 10% late fee will be incurred on the current month's unpaid balance. Any utility account with an outstanding balance remaining on the 25th of the month will be processed for disconnection of service. Tipp City Municipal Utilities accepts cash, check, or money order in the office. You may view your bill or pay via CC online at www.tippcityohio.gov; convenience fees apply. Payments may be made at the Utility Office at 260 S. Garber Dr., Tipp City, by mail, by night drop which is located in the lobby of the Government Center, by auto deduction from a checking or savings account or online at our website. Forms for auto deduction are available online. If you do not receive your Utility/Refuse bill by the 1st of each month, please call the Utility Office at (937) 667-8424.

Voluntary Termination of Services

A customer who intends to move from the service address or discontinue services shall give the City's Utility Billing Department a notice of such intention no later than 1 business day prior to moving. The customer shall be liable for all services provided to the service premises until both such notice is given and the Utility Department has made the final reading.

Collection of Delinquent Account

Application for service must be made at the Utility Billing Office and must be accompanied by a valid government issued photo ID for all applicants/occupants (non-dependents) 18 & over. Tenants must provide a signed copy of the Lease applicable to the dwelling for which service is being provided.

Any application for service using a different name in an attempt to conceal charges at a prior location will be considered as obtaining "service by deceit." This or falsification of any information or ID on this application will result in immediate termination of service, unless otherwise prohibited by law.

If it is determined that you, your spouse, or anyone included on your lease or whom shares ownership/occupancy/control of the service address has an unpaid bill from the City of Tipp City, the unpaid bill must be paid in full to obtain service at the requested address.

The applicant(s) who completed and signed the utility application is the responsible party(s) for payment of the monthly utility bill, except as otherwise provided by law (water, sewer, refuse), regardless as to whether or not this person or entity physically resides at the service address. If more than one individual resides at the service address, all occupants shall sign the application that are of legal age, excluding children claimed as dependents on applicant(s) tax returns living at the same address. The City shall require a deposit from the tenant(s) sufficient to cover the cost of approximately two (2) months of utility usage (water, sewer, garbage, and electric).

If the applicant(s) fails to pay the utility bill, the City will take the following action(s) to collect the electric portion of the utility bill:

1. The applicant(s) will not be able to open a new utility account at a different address that has one or more city utility services (water, sewer, garbage, electric), until the past account is settled.
2. City may turn the applicant(s) over to a collection agency to collect any remaining balance after deducting the deposit for all utilities.
3. The utilities will be terminated until the utility bill is paid in full, if the applicant(s) continues to reside at the service address for which payment is past due. If the applicant has not paid the utility bills in full at the end of two (2) months, all utilities shall be terminated unless otherwise provided by law.
4. The property owner will be responsible for any unpaid utility fees not associated with electric usage should the tenant not pay the water, sewer or refuse fees. The City will notify the property owner if a tenant's account becomes past due and will make every effort to collect such fees from the applicant(s) for a period of three (3) months, after which time the City will require the property owner to pay the utility bill in full excluding electric charges, late fees and any other miscellaneous fee.

Return of Deposit

Upon final discontinuation of service, the deposit collected at the commencement of service will be credited to the customer's final bill. Final bills will show a (credit) for the deposit applied. A bill will be issued for the difference if the final charges are more than the deposit. If the final bill is less than the deposit a refund check will be issued for the difference.

Refuse Information

All residential dwellings in Tipp City are required to use the City's contracted trash hauler for refuse collection. If you have any questions on the billing of refuse or need additional services (i.e. totes or recycling containers) please contact Tipp City Utilities at (937) 667-8424. If you are in need of the low volume trash bags, they are available at the Tipp City Government Center.

NEW RESIDENT REGISTRATION QUESTIONNAIRE

Dear Resident,

We want to take this opportunity to welcome you to our city.

The Tipp City Tax Code requires that all Tipp City residents (those residing within the corporation limits) age 18 and older to file an annual income tax return. Residents who are age 16 or 17 are subject to the Tipp City tax, but need only file if their income is not fully withheld. Filing is mandatory even if no tax is due (i.e. fully withheld, no income, etc.). Part-year residents should also file an annual return and report only the income earned during the Tipp City residency.

Tipp City's current income tax rate is 1.50%. If you are currently paying income tax to another city or village, Tipp City will give you credit up to 1.50% of each city's taxable wages for taxes withheld and paid to the work city.

Following is a Resident Income Tax Questionnaire. Please complete the questionnaire and return it to the Utility Billing department with the rest of the utility forms. This questionnaire will be used to set up your Tipp City income tax account.

Please feel free to contact the Tipp City Tax Department at 937-667-8426 Monday through Friday from 8:00 a.m. to 5:00 p.m. with any questions.

Sincerely,

Tipp City Income Tax Department
