Spring 2018

Purpose

Welcome back to the Tippecanoe Family Aquatic Center as we begin our next season of operation. This beautiful facility was designed and built to provide a safe, family oriented aquatic experience for our community. City Council embarked upon this project as the centerpiece of the Parks and Open Space Master Plan to improve the quality of life for those who live and work in Tipp City.

The Tippecanoe Family Aquatic Center, though owned by Tipp City is managed under contract by a private professional pool management company, Dayton Pool Management, Inc. Dayton Pool Management's (DPM) services includes staffing, operations, maintenance, and concessions.

The City and DPM are committed to ensuring that patrons of the Aquatic Center experience professional and caring staff in a clean and safe environment. We are continually striving to improve your Aquatic Center experience! This is accomplished by your suggestions, it takes a team effort to accomplish.

Should you have any questions or concerns regarding the facility that are not addressed in this handbook, please do not hesitate to ask.

On behalf of myself and City Council, have a great "Summer of 2018!"

Timothy J. Eggleston,
City Manager
