### How do I become a Firefighter/EMT/Paramedic?

Fill out an application; <https://www.tippcityohio.gov/DocumentCenter/View/174/Employment-Application-PDF> and return it to Human Resources or the Fire & EMS Department.

The state of Ohio regulates all Fire & Ems certifications. Minimum qualifications: High School Diploma

- At least 18 years of age
- Have a valid Ohio driver's license

**Who can help?** Men and women who work in area shops and industry or self employed and work at home residents.

### The reward?

- Instant gratification of the ability & willingness to assist your neighbors and community in a time of personal need.
- Service to the greater good of our community.

### When?

Now! We are currently accepting applications.

### If not you; who?

- Tipp City Fire & EMS urges you to answer the "CALL"
- Help us keep our community the special place it is. For more information about becoming a member of our team contact our office at 937-667-9199 between 7am and 3pm, M-F.
- Better yet, bring the family to the station at 520 W. Main Street (across from Dairy Queen) for a visit and talk to your local Fire & EMS providers.
