**Worksheet A Qualifying Wages (see instructions below) - attach all W-2 forms that show local tax withheld**

Worksheet A is for the calculation of qualifying wages and credits allowed for W-2 income. Qualifying wages (column C) are generally reported in box 5 on the W-2 form (Medicare wages). If no wages are reported in box 5, use the highest wage reported on the W-2. Tipp City residents may claim a non-refundable credit (column E) for city income taxes paid to the work city. The amount shall not exceed the tax due Tipp City on the same income. If you worked for an employer that withheld for multiple taxing jurisdictions, report only the totals on worksheet A and attach a breakdown of the local wages and taxes withheld.

	Column A Name of Employer	Column B City where employed	Column C Qualifying wages (Generally box 5 of W-2 form)	Column D Tipp City tax withheld	Column E Other city tax withheld - limited to 1.5% of each wage
